Dubai TechnoPark at Hannover Messe in Germany – April 23rd 2008

On April 23rd 2008 OmegaGroup, German Representatives of CEDARS International, organized together with Fraunhofer Institut a presentation of Dubai TechnoPark during the world's largest industrial fair at Hanover. Many high-profile business people attended the event to gather first hand information about opportunities and chances for German companies at the special economic zone in the UAE. TechnoPark is focused on research, development and studies in the field of the country's core economic sectors including energy, water

and environment resource management. As a member of Economic Zones World, TechnoPark symbolizes Dubai's vision to develop a knowledge-based and technology-centric business hub.

Flashback Arabian Travel Market – 6th to 9th May 2008

Arabian Travel Market (ATM) is the industry's leading travel and tourism exhibition dedicated to showcase the business potential within the Middle East and the pan Arab region. In line with the great demand of medical travel, Klinikum Stuttgart in cooperation with Stuttgart-Marketing GmbH tied up with CEDARS Jebel Ali International Hospital to offer first class medical treatment combined with attractive tourism offers in southern Germany. During this year's exhibition representatives of Klinikum Stuttgart and CEDARS Jebel Ali International Hospital established contacts to travel and tourism agencies, hotels and airlines as well as to private patients who are interested in the joint offer of the two health care providers.

CEDARS Day Celebration – 8th May 2008

Every year in May CEDARS Jebel Ali International Hospitals celebrates a very special birthday. The establishment was founded in 1999 in the middle of nowhere by its visionary chairman Dr. Adnan Kaddaha and finds itself now in the heart of the fast growing area of Jebel Ali. The former Jebel Ali Medical Center was transformed into a hospital in May 2004. Looking back on the past years the hospital experienced tremendous growth and continuous expansions. Nowadays, more than 300 doctors, nurses and administration staff ensure high quality healthcare services with state-of-the-art facilities.

Many of them enchanted the participants of the annual CEDARS Day celebration with singing, dancing and playing performances which marked the highlight of another successful year of CEDARS Jebel Ali International Hospital. Have a closer look at our CEDARS superstars!
